

Air Purgers

DESCRIPTION

Cash Acme Air Purgers are specially designed to eliminate air from systems by entraining air to the top of the unit and venting through an air vent.

The Cash Acme Air Purgers feature a one piece cast iron construction. No service is required. They have internal baffles and are available in a variety of sizes ranging from 1" through 4".

FEATURES AND BENEFITS

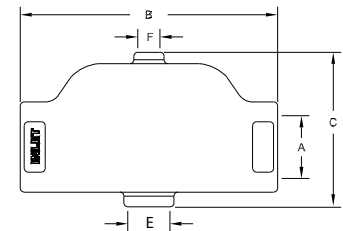

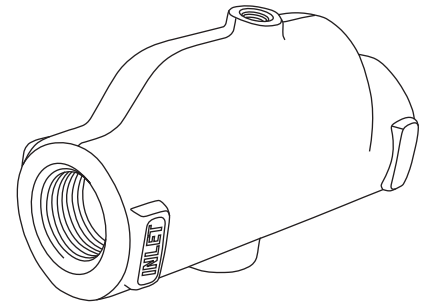

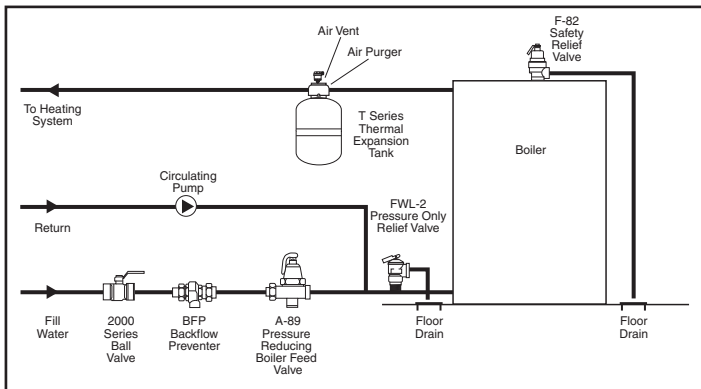

One piece cast iron construction:
Durable construction for long lasting service.

Economical and easy to install:
Saves money and time!

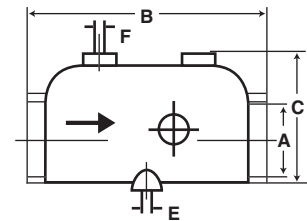

Wide range of sizes:
Fits a variety of heating systems.

TYPICAL INSTALLATION

Note: Air vent available separately.
